Gala Evening..

Our 20 year old son & brother, T.J. Wiebe was brutally murdered on January 5th, 2003.

As a result of this horrific tragedy, a special fund, the "T.J. Wiebe Educational Awareness Fund", was born. The purpose of the fund is to provide financial assistance to students participating in programs that promote drug abuse awareness through peer education; in other words, students educating students. This

program is presently available to Grades 7 to 12 in the Louis Riel School Division.

What do these programs do?

- educate young people about the various drugs and their true effects
- help change the attitudes that make it seem "cool" to use drugs
- help young people feel confident in their abilities to say "No!" to drug use
- address the social norms that make it seem that it is "OK" to use drugs

Why am I being told all of this?

You might be asking, "Why am I being told

all of this?" We are sharing this with you, because we know that you care! The media is constantly telling us what drugs are doing to our kids and our streets, and we are trying to stop it at the grassroots and at an early age. Kids listen to other kids! While vast amounts of taxpayer dollars are spent on law enforcement and confinement of criminals, we do not spend near enough of our money on education and prevention.

TJ's Gift & Your Gift

How you can help...

We have had wonderful support from many people that share our vision. Over the past four years, we have noticed that if people have had their lives touched by crime or drugs, they get involved right away, as they understand too closely, the need. Please do not wait until that happens to you...

You now have a chance to help kids educate kids...

- Tell everyone you know what we are doing with "T.J.'s Gift" and encourage them to attend this soon-to-be-annual event.
- Purchase tickets for your family and friends and attend the event. (a tax receipt of approx. \$40.00 will be issued. Final amount TBA. Cheques payable to "Louis Riel School Division")
- If you can't attend, but know you want to support this cause, please "buy" some "non-attending" tickets and receive a tax receipt for 100% of your donation! (Call 253-9768)
- Donate or help us obtain a generous prize to our "Silent and Live Auction".
