

DAY SERVICES

Our agency, part of the Salvation Army; provides Day Services to adults living with intellectual disabilities. We are funded by Manitoba's Community Living DisABILITY Services and have been a part of Winnipeg's community for 30 years. Currently, we operate 6 locations throughout the City of Winnipeg, with one location specializing in supports to seniors.

Together with our members and their support network, we work to identify and meet individual needs, promote independence and develop natural talents. We aim to encourage and model courtesy, tact, respect for others and freedom from discrimination. Above all we believe people must be treated with honesty, respect and compassion.

Day Services operate Monday through Friday, 8am to 4pm, year round. Although we use our buildings as a base of operations, a big part of who we are is being out and active in the community. We offer programming that emphasizes social and life skills development, recreational opportunities and developing vocational skills/giving back to the community through volunteering.

Member focused philosophy allows each location to offer a different course catalog of activities to choose from. Schedules are always updating, evolving and fluid. Each location seeks to enhance its' members quality of life by adapting to their needs, affirming their contributions, building confidence and developing self-esteem. While one location will host an Art Show, another will produce a theatrical production. From singing competitions to sporting events and holiday parties - we at Community Venture dream big and pull it off with style. It's impossible to capture the full extent of our programs with words. The best way to see us in action is to spend some time with us, you will always be welcomed with open minds and arms. Take some time to visit our locations - we'd love to show you around!

For further information or to arrange a visit, please contact us by any of the three methods below:

- Contact your Community Service Worker (CSW)
- Email: director@communityventure.mb.ca
- Call: 204-946-9418
