NEWS IN LRSD
3.1 LRSD News Shared by the Chair for June 4, 2019
There are two items of note to share this evening:
• On May 30th, the board hosted the 2019 Retirement and Milestone Banquet. It was a wonderful evening celebrating careers and service; 56 retirees and a combined 1,909 years of service from 64 employees.
• On Sunday June 2, Trustee Kolochuk, Parker and I walked with the LRSD community in the 32rd annual Pride Parade. It was a big group of students, parents, teachers, staff, and administrators. The expanded route had us walking through the intersection of Portage & Main, where the concrete barricades are painted the colours of the rainbow flag. The parade route was packed with spectators, and it continues to be an important event for members of the LGBT2QIA+ community and those who walk as allies.

LRSD News Shared by Trustee Chris Sigurdson for June 4, 2019
My good news will be about the Rock n' Real show by the TMP and Vocal Jazz students from Collège Jeanne-Sauvé and the Indigenous Celebration Evening at École Varennes.

On May 23rd, I was invited to tour and speak to the Garden Hill High School students. I spoke about the justice system and about education, particularly Indigenous education. I spoke with some folks from the school and the band leadership. There is a real hunger to form a relationship between LRSD and the Garden Hill Education Authority. During my visit, I was presented with a fine walking stick, which I so appreciated.
My hope is that LRSD will forge ties with the Garden Hill Education Authority on a formal or informal basis. This is not teaching each other, this is learning from each other with the exchange of ideas. Given the wonderful work we are doing in this division, as evidenced by the Indigenous Youth Council, I think this is something we should explore.

3.2 LRSD News Shared by the Superintendent for June 4, 2019
Superintendent Michalik explained that the Circles of Courage on the walls are the result of a conversation this morning with the Leadership Team. During which time, we discussed the Multi-Years Strategic Plan and collectively discussed strategic goals in relationship to the board’s priorities; priorities that resulted from the work around visioning and missioning and values, which align with the circle of courage as evidence by these posters. They are meant to inspire the board conversations in Committee of the Whole, held earlier this evening, as it relates to the Multi-Years Strategic Plan. In November, the board set out to develop a four-year Multi-Years Strategic Plan for 2019 - 2023, to be adopted by the end of June 2019, and I still feel inspired to help the board achieve that goal.

PUBLIC FORUM

11.1 Floor is Open to the Public for Questions and/or Comments:
Frank Restall attended on behalf of the LRTA.
   • Frank acknowledged the Years of Service and Retirement event held recently.
     Unfortunately, Frank was not able to attend the event; however, he commented that staff members being celebrated thoroughly enjoyed the evening.
• Frank noted that over the past decade attending board meetings, the Indigenous Youth Council was one of the best presentations ever.

• And my final comment is recently James Bedford was elected President of the Manitoba Teachers’ Society and will be serving a two-year term. In Frank’s opinion, James is the right person for the job and especially now as education is under review. James remembers his roots and speaks highly of LRSD. As Frank will be retiring from education shortly, he made a comment that he believes James and this Board will be able to rely on each other to bring a unified message.
