How to
manage in
2019-20 and
beyond
without
relocatable
classrooms?

- **2 Schools by 2022**
- In the interim, maximize space
 - Use the science and art rooms
 - Allow higher than average class sizes
 - Add a minimum of 2 classrooms
 - We are using the Learning Commons in 2018-19
 - We will use the Practical Arts spaces in 2019-20

Without creating additional spaces (relocatable classrooms and/or reclaiming spaces in the school) we cannot sustain the anticipated growth.
