Make a Payment

Online banking allows you to access your accounts and make various financial transactions on the Internet. You can use online banking to pay bills or transfer money to other accounts. There are options to use either a computer or a mobile device such as a cell phone or tablet.

Generally, online banking transactions cost less than using in-branch teller services or ATMs, and allow you to check your transactions online as they are processed.

International Payments: Using GlobalPay for Students

This option allows you to pay your fees in the currency of your choice, in both an efficient and inexpensive manner.

Step-by-Step Guide: Using Western Union GlobalPay

Step 1: Visit the GlobalPay for Students website for International Payments

[Click to visit GlobalPay for International Payments](#)

Step 2: Select the country you are applying from and enter the amount

Select the country from which the payment is made and the amount you wish to pay. Get your quote.

**Please contact us if your home country's currency is not listed.*

***Please note that Canada to Canada transactions are not supported. If you are using a credit card option, please select the country in which your credit card is registered.*

****Please do not pay the application fee before submitting an application. A payment option will be available at the end of the online application form.*

Step 3: Choose a way to pay

A number of available payment options will be listed. Select the method that you prefer. Completing the transaction through Western Union GlobalPay will ensure the correct amount of the payment is received in a timely manner.

Step 4: Enter student details

Enter the student's details. This is important to allocate the payment to the correct student application.

Step 5: Enter payer's details

Select who will be making the payment. If someone other than the student is paying, please enter the payer's personal information.

Step 6: Proceed with your payment

Depending on the payment option that was chosen, you will be redirected to proceed with your payment accordingly. If a credit card option was chosen, the payment will be completed online. For all other options, you will receive further instructions to complete the payment in person at your bank, or online if your bank offers online banking.
