About the Louis Riel School Division

Louis Riel School Division is a school district in Winnipeg, Manitoba, Canada. The Louis Riel School Division has over 14,000 students who attend classes in English or French across many different subject areas. Our students attend one of our 40+ schools, including 8 high schools. The Louis Riel School Division also offers accredited post-secondary education through the Arts and Technology Centre.

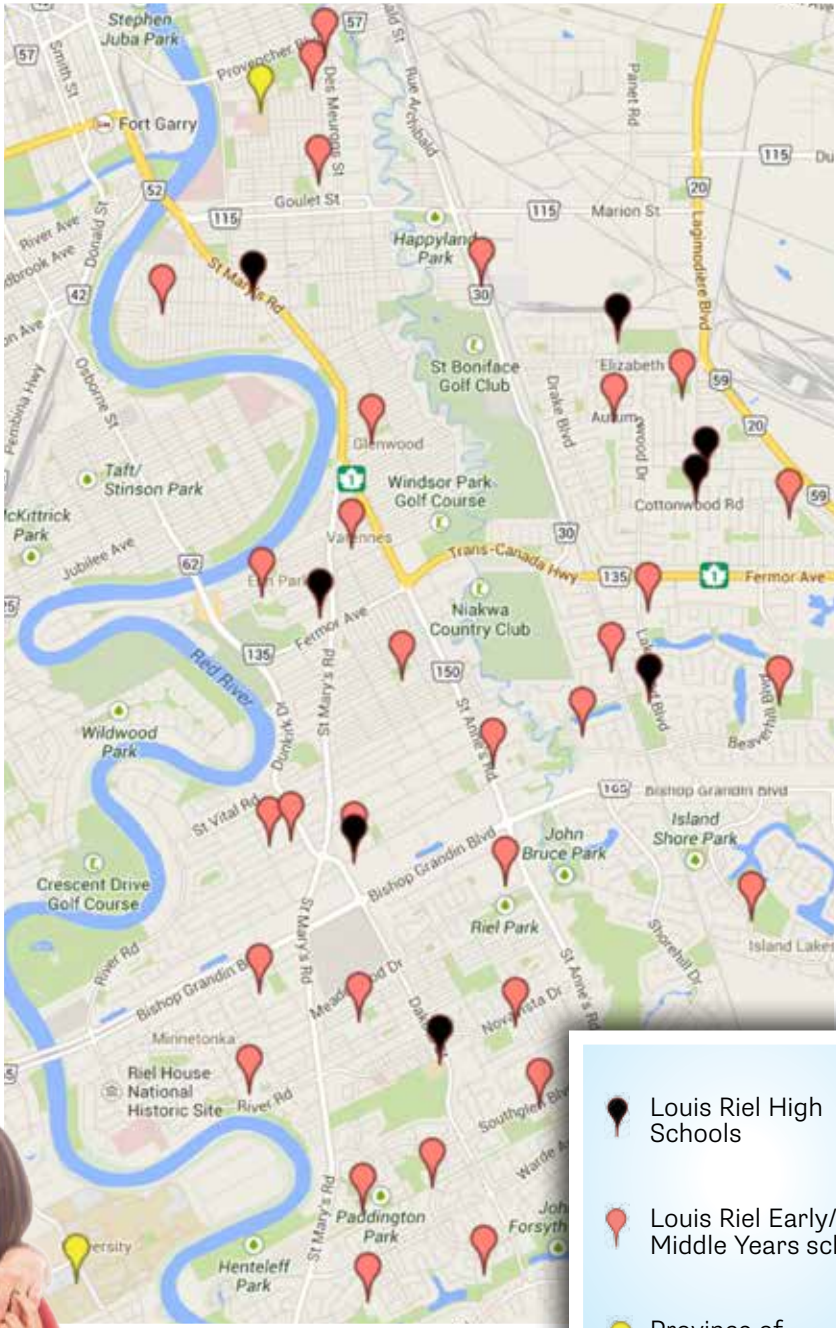

The Louis Riel School Division is named after Louis Riel who was a political figure in the history of Manitoba. Louis Riel lived from 1844-1885 and was instrumental in the founding of the province of Manitoba.

The International Student Program at Louis Riel is an accredited program and a member of Imagine Canada, CAPS-I and MCIE. Each year we welcome students from all over the world to study at our schools and enjoy the experience of a lifetime in Canada. Our program offers students the opportunity to attend classes in either English or French, provides English language support for students who are new to English and top quality programming across a broad range of courses.

Outside of the regular curriculum students have many options to expand their learning including music, technology, sports, theatre, arts and vocational programming.

The Manitoba high school diploma is recognized worldwide and many students graduate from our schools and go on to pursue post-secondary education in Canada or abroad.

-  Louis Riel High Schools
-  Louis Riel Early/Middle Years schools
