

Crafting

Quick Summary:

This intensive theme is an exploration of one's creative pursuits and how it could relate to entrepreneurship.

Intensive Theme Description:

In this week, students will

- Explore their own creative talents
- Visit local entrepreneurs who have turned their own hobbies into their businesses
- Explore their own interest in entrepreneurship

Learning Objectives:

- Students will discover what it takes to run their own business
- Students will be exposed to creative ways of generating income
- Students will have time to create their own pieces of art based on their interests.

Activities:

Students will experience several of the following activities:

- On-site visits to the studios and workspaces of local entrepreneurs
- Visits by guest speakers who will share and demonstrate their experiences
- Longer blocks of time to make a creative product.

Students who wish to participate in this intensive theme should:

- Come prepared to participate in discussions, hands on activities and lectures
- Be full of a sense of adventure, and be willing to explore new places.
- Be prepared to bring in their own materials to work
- Be able to make use of longer blocks of time (2-3 hours at a time) to make their creative product.
- Feel comfortable with longer day trips to visit some makers outside of Winnipeg.
